In dropping my child off for tennis lessons, I understand that only drop-off for tennis classes is allowed from my child age 10 or under. I understand that I or another designated adult will be available to meet my child at the end of class. If it is a designated adult other than a parent that will meet my child after class, I will inform the tennis instructor at the beginning of class of their name. I have left my children with enough supplies, including drinking water and sunscreen, to ensure their health during the lesson.

I understand that tennis instructors are hired to teach tennis and not to babysit. They are not first responders. Should an emergency arise, instructors will respond by calling parents or emergency responders.

Parent name: _____

Parent/Guardian Signature, Date: _____

*Primarily intended for parents of children 10 and under or those children ages 11-15 that do not have a COPOCO drop-off waiver on file. Parents of kids ages 11-15 and up may choose to fill out the COPOCO-wide drop-off waiver. This form should be filled out each season.
